SPECIFIC Information Provided on BfV President, Hubert SCHNEEBERS

REF: ECNA-11115

1. Headquarters wishes to thank you for the information on President SCHNEEBERS provided in reference. This information will be most helpful both in light of his impending visit and in connection with our National Intelligence Survey efforts.

2. We share your feelings, expressed in the comments of reference, as to the appropriateness of SCHNEEBERS' visit. It appears that we have no other choice. We will endeavour to direct major points of his briefings accordingly.

3. Your comment in paragraph 17 re obtaining a copy of SCHNEEBERS' report to the Ministry following his return caused us to recall your comment in Paragraph 11 re the report on his visit to the United Kingdom. It would seem that his request to the British to provide him with an account of his trip may very well be repeated with us. This is something which the escort officers should be aware of in advance.
